PROFILE

Social media and content marketer who plans, writes and schedules content across Instagram, Facebook, LinkedIn and TikTok, publishes website content in WordPress and WooCommerce, and reviews analytics to see what is working. I work with international clients remotely, take direction and feedback well, and build AI-assisted automations that save time.

> **Brand writing experience:** e-commerce (Garden Nursery Products) and education (SkinMasterclass).

EXPERIENCE

SkinMasterclass Education brand — 2024 – Present
Marketing Manager & Accounts Relationship Manager

- Write and schedule social media content for an education brand across LinkedIn, Facebook and Instagram, including content calendars and community engagement.
- Create campaign content and graphics, and manage campaigns.
- Manage client relationships for the brand's marketing and accounts.

Garden Nursery Products, Australia E-commerce brand — Ongoing
Website Content, E-commerce & Analytics · Social Media

Family-run e-commerce retailer (~170 products, ships Australia-wide).

- **Content:** write and publish website blog posts and content updates for an e-commerce brand in WordPress, WooCommerce and Elementor. Example: “Autumn Lawn Prep, 10 Minutes A Week”. Built a newsletter sign-up page offering a free Lawn Buyers Guide.
- **Analytics:** reviewed GA4 reports and found ~51% of sessions were overseas bots. Rebuilt reporting around real Australian sessions and orders, correcting engagement from 99.9% to 55.7% (64.6% for real Australian traffic).
- **Automation:** built an Airtable → Boost.space/Make → WooCommerce stock sync (160/160 products matching) and a back-in-stock waitlist with automatic discount codes.
- **Site speed:** cut mobile blocking time by 92% and fixed a months-long server slowdown, with checkout, add-to-cart and analytics events verified afterwards.
